Company Profile

Narmada Offshore Constructions Pvt. Ltd. — EPC, Pipeline & Offshore Construction Since 1992

COMPANY OVERVIEW

Narmada Offshore Constructions Pvt. Ltd. — having 3 decades of vast experience in construction works covering pipeline laying, terminal works comprising mechanical & IBR piping, fabrication, civil, structural, architectural, electrical, instrumentation and EPC projects, platform hook-ups and modifications, heat exchanger and vessel cleaning, hydro-testing and vacuum drying, pre-commissioning and commissioning services for the oil, gas, petrochemical, hydrocarbon industries and infrastructure projects.

Our integrated management system is built in compliance with ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018, accredited by EGAC — meeting operational, quality, health, safety and environmental needs across every project we undertake.

FIELD OF EXPERTISE

Four Disciplines, One Integrated Capability

01 / EPC — Engineering, Procurement & Construction

- Offshore topside & platform works
- Cross-country pipeline laying & terminal works
- Cofferdam construction & beach-pull support
- Composite works (civil, structural, piping, mechanical) for oil & gas station cooling
- Pre-commissioning & commissioning of piping networks in oil & gas plants

02 / Pipeline Services

- Flooding, cleaning & gauging pigging
- Hydrostatic / pneumatic testing
- Decommissioning & abandonment
- Nitrogen packing, purging & intelligent pigging

03 / Process Services

- Chemical cleaning
- High pressure jetting
- Hot oil flushing
- N2/He leak detection & nitrogen services

04 / Rental Services

- Filling, pressure & vacuum pumps
- Air compressors & dryers
- Nitrogen storage & vaporizer units
- Test, gauge & recording instrumentation

HEALTH, SAFETY & ENVIRONMENT

Zero-Harm Operations, Since 1995

Narmada Offshore upholds the highest HSE standards across every operation — recognised with the Adani HSE Award for the ATF Pipeline (Navi Mumbai Airport) & BPCL projects, and the EIL Safety Award for KHPL mechanical piping works.
